FIVE GO MAD IN KENSINGTON!

So there I was lying on my bed, taking one big strap-on dildo in my cunt, while I deep-throated another. My boyfriend, Joe, was lying next to me on the bed, ploughing up into the big-titted brunette riding him in cowgirl. I'd met her through a swingers' website, and she'd brought along a couple of friends who liked to sample new pussy whenever they got the chance.

I could tell just by looking at Joe's face that he was right on the brink of cumming, and the brunette – Sharon – was feeling it too, planting herself square above his cock and spreading her thighs ever wider, rubbing her clit so she orgasmed around his prick as she drained his nuts.

The second he was finished cumming, she climbed off of him, hand over her hole to keep his jizz inside of her, before she straddled me, letting it pour out all over me, mixed up with her own juices. She rode my tits, smearing on the sticky mess, while the other girls screwed me with their mock-cocks. Now Sharon told the girl doing me in the mouth – Kerry – to move, because she wanted to sit on my face. So Kerry unstrapped and told their mate between my legs – Melanie – to let her fuck me instead.

Melanie pulled out of me with a sucking, popping sound, and Kerry's dildo, now hand-driven, was plugging me a second later, while she enjoyed my pussy juices from Melanie's strap-on. Then Melanie assumed the position behind Kerry. As she began to fuck her her, her thrusts were banging the dildo in and out of my cunt too.

I knew Joe would be back in the fray soon, and the sight of me getting triple-teamed soon got his dick twitching again. He watched while wanking it, then paused the action, flipping me over into the doggie position.

Sharon wasn't giving up her place, although she did get on her back, with Melanie dangling the strap-on over her mouth so she could suck on Kerry's juices. She had the same insatiable taste for cunt as me – my tongue was already in her fanny and I only ate her all the more ravenously as Joe began to fuck me deep from behind.

I'd hoped he'd do me in the arse, make this day really nasty, but he was planning his anal fun with Kerry. Edged out, Kerry was just fucking herself with her dildo now. Then Joe took it from her, and had her stand straddling my body, facing him. I heard her moan as he slid it in her backdoor, then

more so as he pulled her forward, so he could suck her clit.

He fucked me slowly, so I could keep on licking Sharon. The girl was so hot she was almost buzzing with pleasure, little shocks running through her pussy as my tongue hit the spot. Then she began to cum, reaching down to pull her snatch open with both fingers as the wetness flowed into my mouth.

Joe began to fuck me harder now, his hand pounding the toy into Kerry's arsehole. She squealed and Sharon and Melanie pulled free to move into a sixty-nine of their own, Melanie settling over Sharon's face to do her mouth with the dildo, while she took over licking her twat from me. There was a yelp from Melanie, too, as Sharon wet a couple of fingers and slipped them inside of her bum.

It was the most hardcore action I've ever been in – everywhere I looked some girl's cunt or arsehole was being fucked, sucked or fingered, including my own. I felt my crotch tense, then the pleasure just burned outward from it, sending a flush through my entire body.

It's hard to say who came first out of Sharon and Melanie – those bitches in heat were making so much noise anyway! And I think Kerry was long spent, but I felt little trembles of pleasure go through her legs, as Joe just couldn't leave her sweet little arsehole alone. Well, who could?

I also lost track of who did what to whom. Kerry and Melanie were first to leave the next morning, after Sharon and I had woke Joe up while we were going girl on girl. But by the time she left us too, his cock and my pussy were totally satisfied. Well, till we started to get horny again…

HISTORY OF ART

If Anna was our wife – and hey, we're trying – there's virtually no chance she'd get to the office for a day's work if that's how she dressed. We'd say, "Morning dear," clock what she was wearing and then promptly bend her over the nearest kitchen worktop or sofa and roger her senseless. Of course, what with her losing her job due to constant lateness and us apparently not having a job, we'd soon be doing all this in a homeless shelter. At which point, we think Anna might marry someone else. Oh dear...

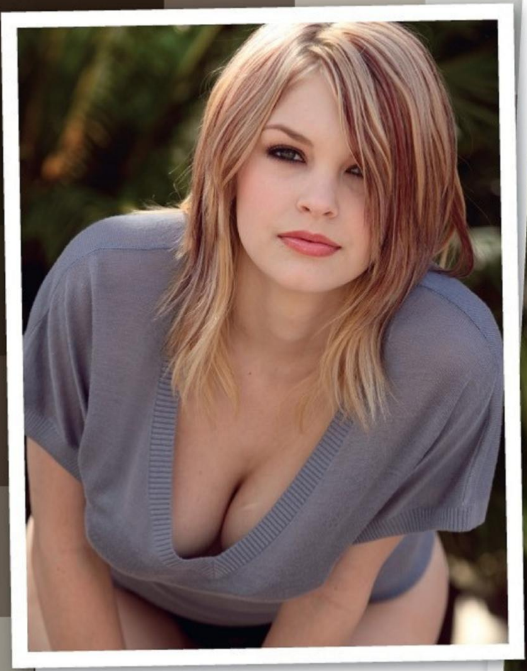
Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…



NAOMI MEANS YES!

Geri and I were never exclusive but we kept our other girlfriends private. Then she met Naomi and seemed desperate to introduce us – and I soon found out why. She was one sexy, cunt-crazed girl.

Geri and I are both blonde, and Naomi has long, raven hair. After a couple of drinks we all got naked, and I finally got to see her magnificent tits – huge, natural globes with the biggest nipples I've ever seen. I dove my face between them, nuzzling the soft flesh, then lapped around her pink peaks. She'd brought a surprise for us both – a strap-on even Geri hadn't seen. But instead of fixing it over her crotch she wrapped it around her thigh, leaving her pussy exposed.

I sunk down on it, taking a little at a time before I was straddling it to the hilt. Naomi spread her legs, angling her clit against my thigh, mouth finding my nipple. My tits are big, though not as big as hers, but she got a good juicy mouthful.

Geri was fondling my arse cheeks, pulling them wide, running a spit-wet finger around the rim of my bumhole. As I squirmed I slipped free of the dildo, the head of it touching up against my crack.

Geri grabbed it, then fed it slowly in my arse, hearing me whimper with pleasure as I lowered myself down slowly. Now Naomi was fingering my clit, making me cum instantly, multiple times.

I could feel her pussy, hot and sloppy against my leg. I squirmed my fingers inside of myself till I was all orgasmed out, then hoisted myself up, legs shaking, and got on my knees in front of Naomi.

While Geri went to fetch fresh toys, I got busy licking her friend. Naomi's twat lips matched her plump and beautiful boobs, firm and fleshy in my mouth. I sucked around them, teasing, then drove three fingers in her snatch, while clamping my mouth over her clit.

Geri came in to find Naomi wailing her pleasure, creaming in my mouth. For a while she just watched and did herself with one of her dildos – I heard the wet squelch as she pumped it in and out. Then she began to bang me from behind with it, holding a vibrator on my clit as well, until I was cumming just as hard as Naomi. Naomi said she wanted a taste of pussy too, so Geri pulled out the dildo and fed it in her mouth. I heard her slurp it and looked up in time to see her

deepthroat the length of it. “So I fuck blokes too,” she confessed once it slid back out – not that Geri and I are strangers to cock!

Now it was Geri’s turn and both Naomi and I knew what she liked – to have her G-spot tickled. Normally, we’d use a vibrator on her clit, but this time it was going to be Naomi’s tongue. I’d felt her flick and flutter it against my hard nipple, and just watching what she did with it to Geri’s bud got my own cunt throbbing and juicing up.

Geri was already losing it, moaning and jerking her hips, when I slid two fingers in her pussy, finding her spot almost instantly. Now she went really wild, Naomi having to steady her so that she didn’t throw us all off of the sofa with her writhing. I felt her start to cum hard around my fingers and I’ve never known her get so wet. The juices were flooding out of her twat, totally soaking my hand.

It wasn’t until a minute later that she got me to stop and I slathered it all over her boobs. Then she dragged my hand back in between her legs, and Naomi and I sucked the sweet stuff off of her nipples.

Geri tells me Naomi’s got a total crush on me and it won’t be long before we all hook up again. This weekend, I’ll be fucking Naomi, just the two of us – we’ve been talking dirty about it on the phone, and it’s going be all about toys and arse-play. Geri’s totally fine with it – she says that she’ll be out on the hunt for new pussy to share with us!

CUMMER HOLIDAY!

My boyfriend and I are totally monogamous in everyday life, but when we go on holiday, the deal is that we can sleep around all we like. We’ve got each other to fall back on if we don’t get lucky, but so far that’s never happened!

Last time, he hooked up with a female University student and I had a threesome with a fit couple. Stella and Harvey saw me eating dinner alone while my man was already M.I.A., and Stella asked if I’d like to join them. It’s usually the woman who asks, but the trick is to look at the bloke – if sex is on the cards, he’ll always give it away!

We ended up in their room, with Stella and I doing a striptease, but when I saw the size of Harvey’s dick, I asked if he could join in. I was at the centre of the fun, him fucking me while she settled her cunt on my face. I’ve eaten lots of pussy and I sucked on hers with relish, swallowing down her juices as she frigged her own clit. And the big dick pumping away inside of my hole soon built up the right kind of friction. I made Stella climax first, then Harvey got me there, and I felt her fanny snap tight around my tongue again as I licked her deeper.

PHOTOGRAPHY: SAGE STYLE

Every time Capri Anderson appears in one of our magazines, we end up talking about her involvement with Charlie Sheen, but surely there's more to this porn star than all that palaver?

"I'm glad you asked," says the hot property when we Skyped her. "After all, I was doing well in the porn industry before I became infamous, and that's because I'm a pretty good fuck."

We bet you are. Although we'd like to put it to the test...

"Well, it's good to excel at what you love, and I love to fuck. And it doesn't have to be a celebrity – I think the best fucks I've ever had are with ordinary guys I meet in bars. They're the filthiest."

We love bars, Capri...

GUEST
STARRING

There isn't a great deal of Jo Guest boy/girl material out there in the world – our Jo doing a spot of the old soft stuff back in the day, but not enough to jeopardise her career (yes, some stuffy people really do look down on such things). But we couldn't resist showing this teasing set again, with Jo basically encapsulating all our desires of the hottest masseuse ever. You'd be begging for a happy finish, wouldn't you? These days it'd be advertised as 'Ayurvedic' or some such nonsense – all we know is that it's better than Deep Heat and we'd basically have ruined that towel and no mistake.

PHOTOGRAPHY: JEFF KAINE

We're not sure British sweetie Louise knows how to use a shower properly – we're sure you're supposed to undress, not get dressed up – but let's be clear, we like what we see. An English girl wearing kinky boots, red mesh underwear and soaking wet? Where do we and our dicks sign up?

"I love to fuck in the shower," Louise reveals. "It just makes everything so slippy and nasty. We can clean each other off, then get all dirty again. I love a guy to soap up my tits and then rub his dick between them, and I also love sucking dick and having water run off the bloke's balls into my mouth. Best of all, if things get really horny, there's lots of soap or shower gel at hand to lube up my bum for some backdoor fun."

Okay, we're on our way. We'll even bring our own flannel...

The lovely Brett here is making her debut in *MensWorld*, but in a move guaranteed to make the blood of other models boil, she's only gone and parked herself as the centrefold!

"I'm flattered, guys," she tells us down the phone from her Malibu home. "I was hoping to be the opening set, but to be the centrefold is amazing. The only way from here is down!"

Not necessarily. We've put you on the cover as well.

"Oh wow, I owe you guys big time. This is gonna be great for my career and profile. I love *MensWorld*!"

You'd better!

"I'm coming over to the UK to watch some Olympics next year, so I'm going to swing by your office and say 'thanks' in my very special way!"

At last, something to thank Seb Coe for...

Danielle

PHOTOGRAPHY: APD NUDES

Rising British model Danielle Maye looks fitter every single time we see her. We remember her when she was a naive, budding model, and we were grizzled, greying old men. Now she's a star, in demand everywhere, and we're still grizzled, greying old men. Life isn't fair. So what's been the highlight for you, Danielle?

"Oh, it's all been a blur," she giggles. "I've been in every magazine I've ever wanted to be in, and I've got to be naughty with some of the hottest British babes like Sasha and Krystal Webb. I've partied hard, travelled the world, and I still can't believe it."

So, here's the million dollar question – will you be doing any hardcore videos for us to enjoy?

"Never say never, but right now I'm happy having a fun time with girls and dildoes! But if the right offer comes along..."

Right, guys, start saving...

DVD OF THE MONTH

British honey Megan Coxxx is the cream of the harmony crop at the moment, and she's all over the latest from Gazzman like a rash. A sexy rash. While there are other females to 'appreciate' here – and Ashley Coda puts in sterling work in her scintillating DP – it's the Megan show. She has a one-on-one with Manuel Ferrara that ends with her wearing one of his explosive cumshots, she shares another cock with super-cute Lexi Belle and then she has a threesome as well. Clearly, she can take cock like a champ.

Harder (Adam & Eve)

Inari Vachs was one of our favourite porn stars from the late 90's to the early noughties, famed for her passionate anal scenes and extremely sloppy blowjobs. Her recent comeback, unlike most aging porn stars returning to the shag scene, was a triumph, and this is its finest hour. She doesn't mess about, taking on big dicks from the likes of Danny Mountain and Sean Michaels, and blowing everyone else off the screen. Only a few years ago, co-star Teagan was the toast of the porn world – here she not only looks worse than Inari, but can't hold a candle to her sex-wise. Experience counts for everything…

Just as 3D is starting to outstay its welcome in the cinema, the technology companies are trying to make us adopt it at home. It's not going to work, but if there was ever a reason for giving it the time of days, it's in porn.

Porn starring Jenna Haze, to be precise. She stars in a vaguely jail-themed that is more vignettes than feature from where I'm sat (which is on my sofa fast-forwarding the chit-chat), and she's accompanied by Sienna West, Kenzie Marie, London Keyes, Jayden Jaymes and other A-listers. For all that, however, the standout scene is the always welcome sight of Madison Parker taking it in the wrong 'un.

Teenage German Sluts (Private)

While most of the girls in this latest from Private definitely do hail from the country who were in that war we don't care to mention, I'm a little baffled that they mention Taylor Rain on the cover. That girl is about as German as Winston Churchill, even if she may have once visited it. Still, I can put aside inaccurate titles when she's making a penis disappear with her bum, and other key attractions are sword swallower Annette Schwarz and the much-missed Karen Lancaume.

SLEAZY DOES IT!

Emma Edwards revs up as she joins Third Degree Films on the set of their brand new bike-themed bangfest…

Sleazy Riders

Starring: Brooklyn Lee, Kortney Kane, Asa Akira, Nicole Aniston, Angelina Valentine, Lee Stone, Derrick Pierce, John Strong, Erik Everhard, Mark Wood

Directed By: Miles Long

Available From: Third Degree Films

Since their advent many years ago, women have inexplicably been drawn to men on motorcycles. Perhaps it's the powerful engine between their legs, and the sexy exuberance of open-air freedom that feeds into the whole 'bad boy' image that most women can't get enough of. Perpetuated by the Hollywood screen gods of late, including such stars as Marlon Brando, James Dean, and Peter Fonda in *Easy Rider*, it goes without question that the roaring sound of pipes and the mysterious stranger underneath the dark helmet is enough of a visual to make heads turn and panties drop.

Capitalising on women's fascination with men on motor bikes, director Miles Long has formulated five sinful vignettes, each designed to satiate a kinky fantasy about the zoom zoom and the boom boom of riding dangerous curves in his slick new release for Third Degree Films called *Sleazy Riders*. With his impeccable attention to detail intact and his uncanny ability of capturing hardcore passion with his lens, Long goes the distance with this tasty little number and urges you to jump on back for the ride of your life. So, what are you waiting for? It's time to roll!

Lee Stone begins the race by riding his custom chopper to the mechanic's shop he works at with Brooklyn Lee. Turned on by the shining blue paint and fat tires, Brooklyn begins pawing at the rounded fenders of the bike, as if she were running her hands down a sculpted chest. "I've never been on a bike before," she reveals, running her fingernail across her bubbly lips, enticing Lee with her overtly friendly manner. "Want to put something exciting between your legs?" Lee insinuates, picking her up from her small waist and placing her down on the leather seat. Showing her the proper way to grip the handlebars and straddle the tank, Brooklyn starts to breathe a little heavier and loosen up.

Lost in the thought of having so much heavy metal between her legs, Brooklyn grabs Lee's face and begins passionately kissing him. "Wanna take me for a ride?" she teases,

"JOHN TREATS ASA'S PUSSY LIKE A MELTING PUDDING POP"

resting her back against the curve of the bike and opening her legs in his direction. Slowly peeling her denim shorts down her shapely legs, Lee opens her up at the knees and begins devouring her savoury dish with an outstretched tongue. Swirling her pelvis around his chin, Brooklyn works her hips against his tongue until her sexy grease glides along the edges of the metallic tank like wet paint. "Baby, what else do you have for me?" she continues, freeing his cobra cock from his pants to continue their session of adult playtime.

Still perfectly spread out, she spits a wad of saliva across Lee's cock and urges him to go hard and deep. Nailing her good in missionary position, Brooklyn's pussy instantly pops with reddened edges and silky cream that ensures that Lee experiences a slippery ride from start to finish. What it also reveals is Brooklyn's naturally red bush that wiggles and curls as Lee continues his full frontal assault. Whatta girl!

Next, after closing her swanky bar, Kortney Kane busies herself by wiping down the sticky counters, fluffing the couch pillows, and refilling liquor bottles in the follow-up encounter. Ready to call it a night, she is unexpectedly startled when Derrick Pierce rides his red racing bike into her place of business. With her hands up in the air in defeat, Derrick removes his helmet and purrs, "There wasn't any parking outside."

Although still angry, she's more turned on by the handsome patron who is clad from head to toe in racing leathers. "I highly doubt that, since we're closed," she smiles, gliding over to touch the low profile handlebars and unzip his jacket. Continuing with their intense foreplay session, Derrick continues, "I guess I was just trying to get your attention a little more loudly than normal." Rushing over to slide her pretty pink tongue down his throat, it appears that his unconventional plan has worked like a charm.

Falling to her knees, Kortney expertly balances on the stems of her high heels, ingesting his cock in steady gulps that leave her slender lips dripping. Growing in her mouth, Derrick bucks his hips into her face and swishes his nuts underneath her chin for good measure. "Look at me with those pretty green eyes while you suck my cock," Derrick hisses, rounding his cock around her cheek like a jawbreaker. Strumming his shaft like a harp, Kortney is clearly ready to play hardball.

> “SHE SPITS A WAD OF SALIVA ACROSS LEE’S THICK COCK AND URGES HIM TO GO ‘HARD AND DEEP’”

“In about thirty seconds, transition into your first sex position,” Long interjects, dancing around the room with his camera in an effort to capture Kortney’s best angles. Doing exactly what they’ve been instructed to do, Derrick rests his ass against the motorcycle seat and places Kortney on his lap in reverse cowgirl. With a perfectly svelte body and tits built for speed, Kortney happily bounces up and down his stick shift, chasing an orgasmic blast that’s been blossoming inside of her since Derrick first zoomed into her bar. “Almost baby! Take me there,” she pleads, eventually releasing a climactic rush that christens their crotches with splashes of her succulent nectar. It’s hot!

After thorough light changes, set redecorations and costume adjustments, Asa Akira is ready to be ridden hard in the next scene. Contrary to the other scenarios, Asa rides in on her motorcycle in an effort to seduce John Strong into going balls deep. Riding into a dark alley, Asa revs her pipes and glides down into a perfect doggie formation over the tank, as her ass blossoms out behind her. “Do you like hot girls on bikes?” she questions, licking her lips and the handlebars when addressing John. Shaking his head yes, Asa jumps off the bike and begins slowly unzipping her black and white chequered racing suit. “Do you want to go for a ride?” she smirks, resting John against a stack of wooden palettes lined with a blue moving blanket. Again, he shakes his head.

“ENGULFING MARK WOOD’S GENITALS WITH HER AWARD-WINNING MOUTH”

Removing his pants, Asa rests between his legs and begins siphoning his cock down her neck as if she’s slurping up a plate of chow mein noodles. “Tasty,” she smiles, coming up to reveal red lipstick stains that have been sexily smeared across her Asian pout. “Are you ready for more?” she continues growling, eager for the opportunity to step up her game.

Switching positions, Asa tucks her black boots behind her ears and watches John drive his tongue in and out of her spicy wonton. Lapping her up from the inside out, John treats Asa’s pussy like a melting pudding pop. “I’ve never tasted better,” he smirks, wiping her natural drippings off his chin with the back of his hand. Still sprawled out, John eventually replaces his tongue with his cock in missionary position, tearing into her tiny hole like a jackhammer through hard pavement. After more heated positions, and more multiple orgasms from her, John pumps her face full of his homemade petroleum, sealing their deal in true porno style.

Meanwhile, back at her mechanic’s shop, Nicole Aniston is administering the final touches to Erik Everhard’s prized bike. Coming by to inspect her work and pick up his ride, Erik seems more enthralled by the sexy blonde bombshell than his matte black racer. “What happens if I break down again?” Erik flirts, running his hands along the curve of her calves as she straddles his bike. “You can call me anytime!” she grins, resting her chest against the cool metal tank. With her butt rounded out behind her, Erik licks the small of her back, urging her to turn around. Shimmying her out of her denim cut-offs, Erik busies himself between her legs, lapping up every inch of her blonde, well-manicured muff. “Do you like the way my

tongue feels?" he asks, attacking her clit with a more directed force that causes her to pop the contents of her juicy box across the leather seat. "I'll take that as a yes!" he says, going in to offer her another orgasmic blast before he continues pleasing her with his cock.

Before allowing him full vaginal access, Nicole lowers down and services the head of his cock, although, disappointingly, she never takes him too deep. But still, she slurps on his rod just the same, keeping her baby blues fixed on him like a guided missile throughout. When finished with her amateurish oral attempts, Erik hooks her right leg in his arm and impales her pussy in an incredibly hot standing doggie arrangement. With her tits in full view and the sexy muscles in her legs protruding, Erik annihilates her with his signature rough style that evidently takes her by surprise. Perhaps never having been ridden by one of porn's roughest riders, the shocked look on Nicole's face says it all. Never one to give anything away free, Erik encourages Nicole to push her pussy to its limits before receiving the fruits of his labour... a smear of splooge all across her pearly whites!

Showing her predecessor how it's done, Angelina Valentine closes out the movie with a powerhouse performance that brings the house down. Engulfing Mark Wood's genitals with her award-winning mouth, Angelina easily takes him down to the balls, actually popping his nuts into her mouth while she's down in prime cock sucking position. "You like my dirty fucking mouth?" she hisses, commanding complete control from beginning to end.

Working her hot hole in several positions, Mark rides Angelina's pussy out in more laps than a Supercross motorcycle race! Concluding with a cum swallowing finale, Angelina's scene is the standout encounter of the illustrious line-up, proving, once again, that Angelina Valentine is a cut above the rest. Ending here, on an exceptionally high note, Miles Long escorts me off set and thanks me for spending a day with him and the girls. With such amazing hardcore, some of the hottest chicks in porn, and plenty of sexy bikes, *Sleazy Riders* definitely has what it takes to get your motor running!

As she moved off my face – she couldn't handle any more licking right now – Harvey slammed in hard, and blew his load in my pussy. Then, suddenly, like he'd forgotten himself, he pulled out, wringing the last drops of jizz all over my shaved mound.

Stella leaned forward and began to scoop it out with her fingers, rubbing it on my clit so that she could lap it up as she licked me. Then she ate her way to my hole, fingers rolling and squeezing my clit. I was soon cumming, Harvey's spunk pouring out of me into her mouth.

Next thing I knew, Harvey was in behind my head, playing with her arse and pussy as he stroked his dick stiff above me. Now I was getting eaten as he pushed into her plump, swollen folds, juices dripping out to splash me. He kept telling me what a sex-crazy bitch she was, how his cock never satisfied her – she always needed another serving of meat or a wet pussy to snack on. They'd been here a week and already got three girls and a man to join in their fun.

"Of course, you're the sexiest girl we've had," said Stella. I didn't believe her, but as long as she kept doing that to my pussy, I didn't care… I'm not even sure I believed Harvey – his wife was insatiable, but she seemed to like what he was doing with his dick. Even as he pulled out to give me a suck on it, she ground back onto his fingers. Then I grabbed hold of it, wanking it in and out of her cunt before he fucked her with his full length.

He loved my tan lines, and asked would I be okay with him emptying his balls on my pale tits. I said why not, and so he began to wank his moist prick up against them. They're small, too little for a tit-fuck, but Stella sunk down on them, smothering them with pussy cream and then Harvey added to the sticky mess.

Then I played with my cunt while they sucked and licked me clean, starting to think maybe I was the sexiest girl of the week after all! They were both exhausted and shaky from cumming so hard, yet they couldn't keep their hands or mouths off of me.

When they flew home, I wondered would I finally spend a few days banging my boyfriend. But as I was dozing by the pool, sleeping off my farewell fuck-session with the couple, a big guy came and hit on me. It's impossible to hide a hard-on in swimming trunks, but he was hiding it in the depths of my cunt an hour later…

BEN TEN INCHES!

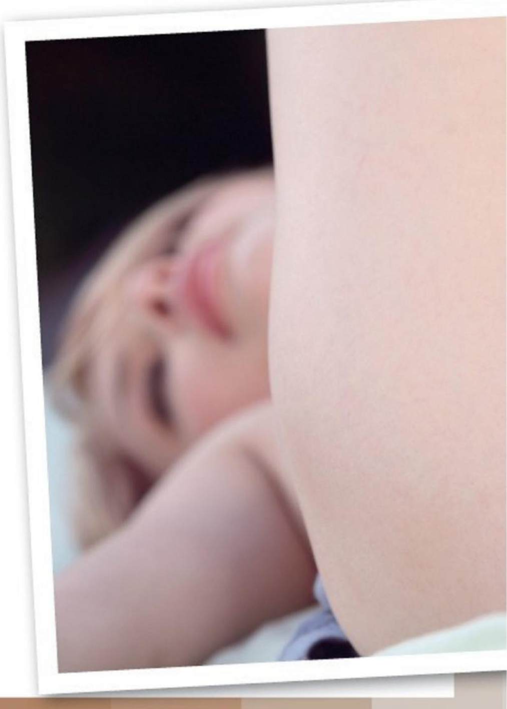
Whether I'm single, dating or in a relationship, one thing's beyond any doubt. I honestly can't last more than a couple of months without getting fucked. Most recently, I'd gone around six weeks between dates, so it was time to give up on any subtle moves. And when I got an opportunity, I literally seized it by the balls!

I was at a crowded shopping centre when some man jostled me. It was an accident but when I saw his fit arse, I deliberately dropped my shopping bags and yelled, "Oi!" Lucky for me – and him! – Ben was a gentleman. He apologised, and offered me a lift home. I flirted and he asked if I'd ever go out with a clumsy oaf like him, so I admitted the truth. "I think you owe me," he said, but payback came sooner than he expected.

A half-hour later, as he sat in my armchair enjoying a beer, I yanked his jeans down, springing his huge cock – the biggest I've ever had – so I could give it the same treatment. He soon forgot about his drink as he focused on my mouth around his helmet and his balls rolling between my palms. I swallowed, too – his jizz bubbled up and out to coat my tongue, and as I gulped it down I asked was I forgiven. "Not even close," he said, ready to take total advantage of me.

Like I objected! My cunt was dripping streams down my thighs as I squatted down, my drenched knickers just a wet string against my slit. I shimmied out of them, handed them to him, then went to straddle him. He had a little suck on my tits, then said to turn around. He wanted to see my arse. Then he pulled me down on him reverse cowgirl, making me squeal as his dick, now rigid again, surged into my wet cunt.

I bucked and gyrated on it, taking him deep, then pulling right off, only to cup his helmet and put it straight back in me again. He soon got tired of games and grabbed me around the hips, keeping himself deep inside of me. The fat prick thudding up into my cunt sent shockwaves through me, and as he began to play with my tits, I started to cum. He groaned, I felt him try to get back in control, and so I tightened my grip even more. Another arse-wiggle and he was done, spunk spurting out. And as I lifted up, I saw it gush out over his dick



and balls.

He mopped it up with my soaked knickers, then rubbed it on my tits. He'd liked playing with my cheeks, and now it was two different globes getting all his attention. I frigged myself to another orgasm as he sucked on my nipples, then got on my knees in front of him, and slapped his thick prick in between them.

He let me take the lead, kneading my titflesh around it. Then he began to thrust, ramming in and out between them. His helmet was purple red, skin stretched and shiny as it plunged in and out the top of my cleavage.

Thinking how good he'd felt and tasted in my mouth made me want to suck him all over again. But as I looked at the clear fluid seeping out his tip, I knew I wanted him to jizz all over my tits.

Almost as soon as I thought it, I felt his nuts bunch up against my chest, and then his spunk shot out like a white fountain on my boobs. I let him finish, then felt it trickle down onto my tummy, before playing with it, feeling it stick as I shoved my tits together, and savouring his salty taste again.

I don't think I'm forgiven for my duplicity yet – Ben says I've got a lot of fucking to do first. Not that spunk-showers and non-stop orgasms are the best way to make me see the error of my ways!
